

Food Preservation classes

All classes are taught by Natalie Taul, Family and Consumer Sciences Agent

Virtual

Intro to Home Canning

Tuesday, June 13 | 1 PM CT

Grayson County Extension Office

Water Bath Canning: Tomato Juice

Tuesday, June 20 | 5 PM CT
Thursday, June 22 | 10 AM CT

Grayson County Extension Office

Pressure Canning: Chicken Soup

Wednesday, June 28 | 10 AM CT
Thursday, June 29 | 5 PM CT

One of the best ways to preserve your fruits and vegetables this summer is to can them so you can enjoy them well into the fall and winter months.

Registration is required for all classes. Limited space is available for the water bath and pressure canning classes. To register, call the Grayson County Extension Office at (270) 259-3492 or use the QR code. Register for one or multiple classes at once.
